

## NOTICE

All students (UG/ PG and PhD whose details are mentioned in the following table) are requested to appear in the **Demo Online Exam** which has to be scheduled as per following details. Students are required to write in own handwriting and scan at least five pages in this demo exam. Students may use any software for scanning but make sure to create one PDF file for answer sheet. For more details about *Writing, Scanning and Uploading on MS Team*, the students must follow the *“Instruction Manual for End Semester Exam”* which is available on website. This exercise will help you to understand the whole online exam process through MS Team. Further this will make you familiar with the software and interface so that you may not face any difficulties while writing actual exam which is scheduled from coming Monday.

### Demo Exam Schedule

Date: 11.07.2020

Time for Exam: 12 PM to 3 PM

Time for Scanning and uploading on MS Team: 3 PM to 3.30 PM

**Please use this extra time (3 PM to 3:30 PM) to scan and upload the answer sheet. Do not wait till last minutes. After 3:30 PM upload channel will be closed.**
