Date: 10-July-2020

## Notice

In reference to the earlier notice by PI, Exam (available at [http://www.nitp.ac.in/uploads/Notice\\_%20PhD%20online%20Registration29.06.2020.pdf](http://www.nitp.ac.in/uploads/Notice_%20PhD%20online%20Registration29.06.2020.pdf)) regarding online registration of PhD students (Part-Time and Full-Time) for the January-June 2020 session, which was already done offline previously, it is hereby informed that the online registration is temporarily closed. Some changes are being incorporated in the newly developed software module in order to make the online registration process smooth. PhD students will be informed later when the registration process resumes and will be provided sufficient time for completing the registration.

Note that this process of porting the previously done offline registration to the online platform is being done to bring the process of PhD result declaration and registration online and it does not affect the already done registration of the PhD students for the January-June 2020 session. Hence, students need not worry.
